Re: Notice of *Ex Parte* Meetings, WC Docket Nos. 04-36; 05-196; and 99-200

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Federal Communications Commission's ("Commission") Rules, this letter provides notice in the above-captioned proceedings of an ex parte meeting with commission staff. On June 28, 2005, the undersigned accompanied Brooke Schulz, Louis Mamakos, Ed Mulligan, and Frank Cavaliere, all of Vonage Holdings Corp. ("Vonage"), to meet with the following individuals from the Wireline Competition Bureau: Julie Veach, Lisa Gelb, Narda Jones, Cheryl Callahan, Nicholas Alexander, Greg Guice, Mika Savir, Christi Shewman, and Carol Simpson.

In this meeting, the participants discussed Vonage's numbering waiver petition pending before the Commission in Docket 99-200, and how that petition is related to the Company's E911 rollout. Vonage explained that access to pANI resources, either directly and/or through ILECs, is one of many critical components Vonage needs to provide an E911 solution to its nomadic VoIP customers within the time frames set by the Commission in the VoIP E911 Order. We also discussed whether and how the general numbering administration process applies to assignment of pANI, regardless of whether Vonage's pending waiver petition is granted by the Commission.
